What to expect on the Advanced Integration workshop?

Completion of the BASIC workshop in person is the prerequisite!

Rapport

The aim of this balance is nice and effective communication with deep sense of trust and safety. Essential for everyone working with people.

Belief points

Learn how to work with **12 points** on the body derived from Traditional Chinese Medicine representing the key beliefs that drive our lives.

Energy focusing

A safe and effective process that allows you to **focus energy** to a Belief Point in order to change subconscious beliefs quickly and easily

Surrogation

Safe process using a surrogate (substitute person) to effect change at a distance as well as for pets.

Core belief Balance

The balance aligns 13 **Core Beliefs** that support the manifestation of your full potential in life. You don't want to miss this.

Relationship Balance

Help yourself and others to transform personal issues with people, and better understand the lessons to be learned in relationships

Life Bonding Balance

Using the breath we will reprogram the trauma of birth and the fear of death

Energy circle

Amazing experience of unconditional love
